MacArthur Thanks Campaign Supporters

Winding up his campaign for the office of tax collector of San Mateo county, Ralph C. MacArthur, Burlingame, expressed his sincere appreciation to the men and women of the county who have so actively supported his candidacy. Especially is he grateful for the efforts of the women's groups supporting his election.

The entire campaign has been conducted upon a high standard, and he bases his claim to the office upon the fact that experience and training fit him well for the post. He pointed out that the office of tax collector is an important one in county governmental affairs, because unless the tax collector is efficient and capable the operation of county government will suffer.

"This has been a pleasant campaign, and I am grateful to have had the opportunity to renew old acquaintances, and make new ones during my travels about the county. No matter what the outcome of this election, I shall always be deeply grateful for the fine display of cooperation accorded me in my campaign, and the impressive reception my candidacy has received in every part of the county."

THEY TRUST YOU!

(Editorial)

All over the world American boys are meeting death, bravely, to preserve the freedom of the United States. They are counting on you, here at home, to keep their nation free and democratic.

One of your primary duties as a free citizen of a free country is to use your privilege of voting for candidates and measures which affect the welfare of your city, county, state, and nation.

This year, of all years, every voter should go to the polls. The boys at the front are expecting you to make democracy work. Don't fail them!

November 3 is election day. See that you get to the polls and vote just as intelligently and as sincerely as you possibly can. Anything less is a betrayal of trust.

SUNDAY BASEBALL

A baseball game between two service teams will be offered to local fans at Marchbank field, Sunday at 2 p. m., it was announced, yesterday, by Ed Cavagnaro, city recreation official.

The public is invited to attend the game, sponsored by the San Francisco Recreation department.

NO KIDS' PARTY

There will be no public Hallowe'en party, this year, for Daly City children. In former years, the Daly City WPA Recreation department has sponsored this annual event.

However, curtailment of recreational activities because of the war prevents the event from being held, this year.

FOR A 100%

WAR ADMINISTRATION

Since April, 1940 when he urged the President and Congress to enable States to create State Guard units, Governor Olson has achieved a tremendous mobilization of California's natural, industrial and human resources! It was THE GOVERNOR who had the foresight to call for California's HUGE SHIPBUILDING PROGRAM . .. the courage to urge LEND-LEASE and SELECTIVE SERVICE. It was THE GOVERNOR who was truly NON-PARTISAN in appointing prominent Republicans to the State Civilian Defense Council. He has rallied all patriotic Californians behind the war effort!

★

From Oregon to Mexico, California is protected by the constant vigilance of thousands of organized Civilian Defense Workers . . . ground observers, fire watchers, air raid wardens, etc. This program was INITIATED by Governor Olson, CONSTANTLY PROMOTED by him despite legislative obstruction, and now operating in a manner which has won the acclaim and gratitude of Army authorities! Let's KEEP GOVERNOR OLSON at the helm of the DEFENSE ORGANIZATION HE HAS CREATED AND LED!

BLOOD BANK

"Please do not eat for four hours before giving blood." This request is always made of donors at the San Mateo County Blood Bank, but not all volunteers who are contributing blood realize its importance. Eating in no way affects the donor after he has contributed his pint of blood, but it may cause a very violent reaction in the patient. It is possible to drink either black coffee or fruit juices during the four hours preceding the donation, but other food, even in small quantities, affect the blood in such a way that it is not safe to administer it to a patient.

One hundred units of frozen plasma were sent to the Marine hospital, this week, while donations of fresh blood are being sent whenever requested

All those who have been typed at the San Mateo County Blood Bank, whether or not they have given blood, have been classified according to types, so that in case an individual needed a direct transfusion or in case of a war emergency, the blood type of hundreds of prospective donors could be found immediately by looking at the records kept at the bank by volunteer workers there. These records serve as a benefit both to peace-time patients and to the community in case of disaster.

Many donors are coming back to give a second pint of blood this month,

To match their splendid financial support of the bank, Daly City residents were urged to give a pint of blood each to the organization. Appointments for blood tests, typing, and extraction can be made by calling Mrs. Catherine Foreman, 35 Woodrow street, who is Daly City chairman.

AMERICANISM IN DANGER!!

DEFEND DEMOCRACY— DON'T DESTROY IT!

VOTE 'NO'

ON PROPOSITION NO. 1

The SLAVE BILL, State Proposition No. 1, is designed to suppress freedom of speech and freedom of assemblage in California, these rights granted by the United States Constitution.

Many workers of California are giving their lives on the battle fronts while all others are giving every effort to help the war effort at home. Will you give them your support?

The SLAVE BILL was put over by employer groups who used every conceivable pressure to get legislators to enact the bill despite the will of the people.

Labor won its fight to carry the SLAVE BILL directly to the people. We ask you to use the American method of the ballot to decide this vital issue.

If you want FREE LABOR in California instead of Hitler-like SLAVE LABOR, then MARK YOUR BALLOT:

SAFEWAY Homemakers' Guide

★ How to make Hallowe'en more fun ★ A long list of money-saving foods for Hallowe'en parties ★ Bud calls signals for mother

How to make Hallowe'en more fun

for youngsters and grown-ups, too

October 31, the eve of All Saints' Day reminds you of cider and doughnuts, witches, and Jack-o'-lanterns, and spells a Hallowe'en party to Americans of all ages. To fit into almost any Hallowe'en party scheme, Safeway's Homemakers Bureau has planned a 1942-style buffet supper menu with table decorations and a recipe that should appeal to children and adults alike.

HALLOWE'EN BUFFET

Piping-hot Spaghetti-Meat-Cheese Casserole
(Your favorite combination)
**Pumpkin Coach Salad Centerpiece*
Buttered French Bread and Rye Bread
Assorted Relishes
Home-baked Pumpkin Pie
Coffee *Apple Cider*

PUMPKIN COACH SALAD CENTERPIECE: Combine equal parts diced unpeeled red cooking apples, shredded cabbage, and shredded carrots, with 2 medium-sized celery stalks, finely sliced, and 2 to 3 finely chopped sweet pickles. Mix with enough sour cream salad dressing to moisten. Toss lightly to mix. Serve in hollowed pumpkin shell lined with crisp lettuce leaves. Serves 6 to 8.

To Carry Out Coach Idea: Attach black cardboard wheels to pumpkin coach; have it drawn by catnip mice guided by strips of crepe paper or ribbons for reins, and driven by a cardboard witch or black cat, along a black crepe paper road across tablecloth.

OTHER DECORATIONS: You may want paper napkins and place cards to suggest Hallowe'en, and candlelight is both decorative and appropriate.

FOR ADULTS: Don't make too detailed entertainment plans. Bridge or gin rummy may be more popular with adults than Hallowe'en games, so let guests decide for themselves.

FOR CHILDREN: Bobbing-for-apples, ghost story contests, and fortune telling are traditional Hallowe'en games children will probably expect. A variation of an old game that's guaranteed fun is to blindfold guests and let them try to pin a witch or black cat onto a broomstick. This is the Hallowe'en version of pinning the tail on a donkey.

"OLSONISM" Must End!

The time has come for Californians to back up the boys on the fighting front with unity on the home front.

This unity is impossible with the present political set-up at Sacramento. It is impossible with a Governor who cannot command the respect or cooperation of his own party and who quarrels even with the men who put him into office.

Unity at home cannot be achieved by a Governor who has refused to call the State Legislature into session . . . even though California is in the theatre of actual war and in spite of constant urging by citizens and cities throughout California. President Roosevelt, on the other hand, has insisted that the National Congress remain in continuous session—a measure vital to the survival of democracy and freedom.

Governor Olson has insisted that the State Legislature remain OUT of session . . . which means that the law-makers we elected to guide the destinies of our State are powerless to act during the most perilous time in California history.

This is "Olsonism." It is dictatorship rather than leadership. California cannot stand another four years of such a political circus. The "Spoils System" must go, particularly during this hazardous time when we must present a united front to our Axis enemies.

Earl Warren will clean up the political mess in the State's humanitarian institutions and agencies. He will do *something constructive* about pensions for senior citizens . . . He believes in pensions as a matter of right, not charity. He will bring new confidence in State Government to California Labor, Agriculture and Industry.

Now, during the war, California desperately needs a leader with courage, ability and character. We will need the same type of efficient, non-partisan leadership even more after the war is won.

EARL WARREN IS THE MAN!

ELECT WARREN GOVERNOR ★ ELECT HOUSER LIEUTENANT GOVERNOR

GENERAL ELECTION NOVEMBER 3rd

See Democratic Swing To Warren

Earl Warren enters the final days of his campaign with reports from all parts of the state indicating that, Tuesday, he will roll up one of the largest popular votes ever accorded a California governor.

The Democratic swing to Warren has been steadily gaining since the primary when Warren polled 404,778 Democratic votes. Since then many of California's leading Democrats have thrown their full support to Warren.

These include George Creel of San Francisco, one of the nation's outstanding Democrats and for years an intimate and staunch supporter of President Roosevelt; Gordon Garland, speaker of the California Assembly, Assemblyman Henry P. Meehan of Alameda county, lifelong Democrat and former Olsonite, and scores of others.

Two major reasons are credited with Warren's enormous popularity which has swept away all party lines. First is the truly non-partisan campaign which Warren has made. His declaration from the outset of his campaign that this is neither a Republican nor Democratic war but an American war and that party politics should be abandoned for the duration has struck not only a note of great popular appeal but is supported by President Roosevelt's own announced policy in the prosecution of the war.

Warren has pledged that his cabinet, and his own conduct of the governor's office, will disregard party politics. Out of Warren's past public record for maintaining his pledges hundreds of thousands of California Democrats are satisfied that Warren is the best candidate for California today, and will faithfully keep every election promise.

The second important factor that will elect Warren, it is pointed out, is his capacity for bringing unity into the State Government. Warren has come forward with a constructive, dynamic platform which the voters consider their only hope in ending the political quarrel Culbert L. Olson has been carrying on for years with the State Legislature.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

CITIZEN'S COMMITTEE FOR THE FOUR FREEDOMS

YES ON 6

LET'S BE FAIR . . .

Nearly 8000 FAIR MINDED MEN AND WOMEN signed the initiative petition which placed on the November 3 ballot PROPOSITION NO. 6, the Civil Service Amendment.

The signers of that petition were a cross section of San Mateo County's electorate. They came from the ranks of businessmen, county officials, commuters, laboring men, housewives, members of civic clubs and tax saving organizations.

They realized that our county employees are now working under the OBSOLETE PATRONAGE SYSTEM and that such a system must be completely eliminated from our county government and replaced with a MERIT SYSTEM Civil Service provided that MERIT SYSTEM.

You, as a taxpayer and a voter, will feel as did those nearly 8000 petition signers when you realize that:

No matter how efficient or faithful a county employee in your county system may be, he or she CAN BE DISMISSED WITHOUT CAUSE OR REASON AND WITHOUT A HEARING.

When old age makes further employment in county service prohibitive, the county employee is TURNED OUT WITHOUT THE COMMON STATE AND FEDERAL BENEFITS ENJOYED BY MOST PERSONS IN PRIVATE INDUSTRY.

BECAUSE THEY ARE PUBLIC EMPLOYEES . . . OUR COUNTY EMPLOYEES DO NOT BENEFIT FROM SOCIAL SECURITY OR UNEMPLOYMENT INSURANCE.

Several of OUR OWN SAN MATEO COUNTY CITIES HAVE ADOPTED CIVIL SERVICE FOR THEIR EMPLOYEES.

Adoption by the voters of PROPOSITION NO. 6 would eliminate our present patronage system and stabilize county government.

Adoption of this Merit System means that so long as the county employee is giving the taxpayer EFFICIENCY ON THE JOB, he or she will remain on the job.

Should there be cause for demotion, suspension or dismissal an employee has the right to a hearing in such a case before A NON-POLITICAL CIVIL SERVICE COMMISSION.

A retirement system is provided for county employees which becomes effective one year following adoption of the measure.

Applicants seeking county employment subsequent to the adoption of the amendment must qualify first in examinations conducted by the State Personnel Board.

This proposition DOES NOT include elective county officials.

In conclusion let it be said in behalf of the San Mateo County Employees that they are ONLY ASKING FOR WHAT IS FAIR—A CHANCE TO SERVE YOU, THEIR TAXPAYER EMPLOYERS, UNDER A MERIT SYSTEM WHICH WILL DEFINITELY STABILIZE COUNTY GOVERNMENT AND GIVE YOU MORE FOR YOUR TAX DOLLAR.

Let's be FAIR TO OUR EMPLOYEES BY VOTING FOR PROPOSITION NO. 6, THE CIVIL SERVICE AMENDMENT.
